

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc

The procedure for maintaining and utilization of physical. Academic and support this college as the following assets.

- Class rooms
- Laboratories: Physics, Chemistry, Zoology, Botany, Computer Science, Home science. Geography, Language Lab .
- Library
- Sports facilities
- Hostels
- Staff room

For this year the students strength is 625 and the strength of Arts programme 133 for Science programme 296 and commerce programme 169 and for PG 27. For this strength we have sufficient class Rooms. The College has constituted a committee for ensuring the optimal utilization of physical, academic & support facilities.

This committee meets at least once in the beginning of the academic year to make actual evaluation between the available resources & strength of all students for a academic year in some extraordinary situations like changed priorities of students requirements owing to changes in the technological upgration & career advancements. The college also has Supportive facilities like college canteen, indoor and outdoor games. Optimum utility of these is vested with the concurrence of the Principal.
