

7.2]Best Practices

Practice 1. Prizes to meritorious students.

1.Title of the practice— Prizes to meritorious students

2. Objectives of the practice

- To motivate the students to reach at higher levels of success.
- To identify the meritorious students.
- To keep consistency in their academic performance.

3. The Context

This practice is for promoting the students to have excellent performance in University Examinations and academic performance. In this context, the institution has been doing the practice of giving prizes to the meritorious students.

4. The Practice:

- The Institution offers endowment cash prizes to the students who have scored highest marks in different programmes.
- The Institution also independently offers cash prizes in all semesters to the students who have scored above 95 marks in their respective subject.
- Shri Biluru Gurubasava scholarship – the students who are economically weaker and not benefited by the government and non government scholarship.

5. Evidence of Success:

- For the academic year student beneficiaries
 - Cash prize – 25 students
 - Shri Biluru Gurubasava scholarship - 25 students
 - Endowment prize - 09 students
- The impact of this practice is tremendous and all the students are motivated by this scheme.

6.Problems Encountered and Resource Required:

The number of meritorious students is increasing year by year.

Best Practice 2 - Skill enhancement initiation

1.Title of the practice – Skill Enhancement Initiation

2. Objectives of the practice

1. To build confidence in career enhancement and train them on self defense.
2. To develop personality, communication skill and to face competitive exams.
3. To organize special lectures and workshop as per the current needs of the students
4. To organize various events like paper present competition, Science exhibition and market fest.

3. The Context:

Different departments and Cells/Units will organise various programmes and competitions which provide the platform to the students to participate in the activities.

4.The Practice:

Through the Departments and Cells/Units various activities are planned for a semester with the suggestion of principal, teachers and students.

5.Evidence of Success:

It improves student's personality, communication skills and marketing skills.

6. Problems Encountered & Resources Required:

1. Students are more interested in academics.
2. Students need great motivation from the teachers.
