Report On
Viksit Bharat @2047 Utsav
(MIC-Driven Activity Viksit Bharat@2047 Utsav)

Venue: Arranged the live telecast of the event in the B. V. V. S. Akkamahadevi Women's Arts, Science and Commerce College, Bagalkote

Arranged by: IQAC, Entrepreneurship Development Cell and Institution's Innovation Council (IIC)

Date: 11th December, 2023

Time: 10:30 AM

Beneficiary: 152 Students from B.A. and B.Com. III and V Semester and 10 Staff

The Viksit Bharat @ 2047 online live session watched in our college. The session aimed to foster dialogue and imagination about the country's development path leading up to 2047.

Key Highlights:

- 1. Visionary Perspectives:** Eminent speakers shared their visionary perspectives on various aspects of India's development, including Economy, Technology, Governance, and Societal advancements.
- 2. Technological Advancements:** Discussions explore the role of emerging technologies such as AI, Block Chain, and renewable energy in shaping India's future landscape.
- 3. Sustainable Development:** The importance of sustainable development and environmental conservation was emphasized, highlighting strategies for a greener and more resilient India by 2047.
- 4. Inclusive Growth:** Speakers underscored the significance of inclusive growth, addressing issues of social inequality, gender parity, and accessibility in the nation's development agenda.

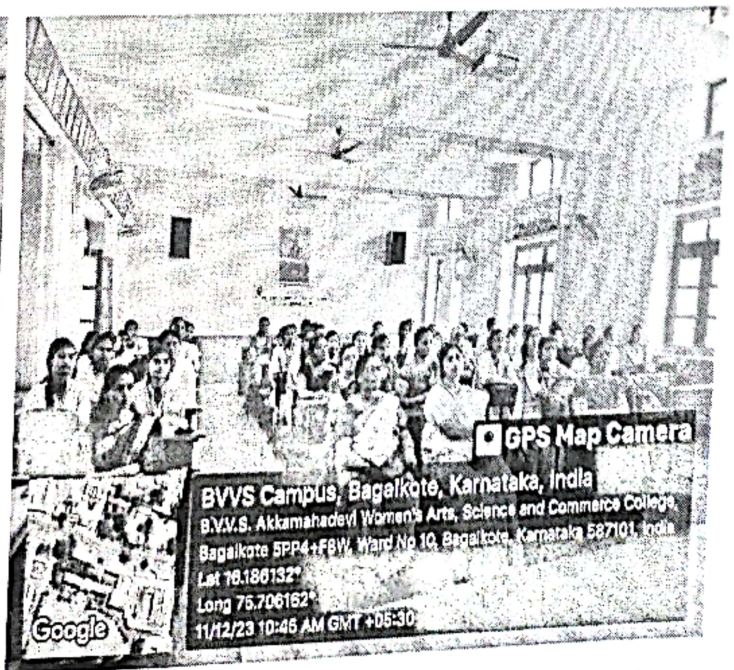

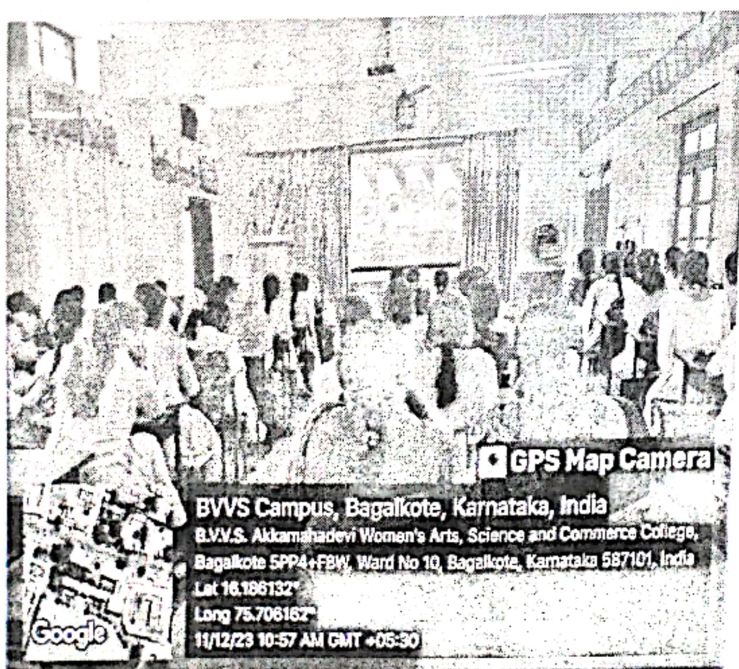

5. Youth Participation: The session encouraged to active participation from students, acknowledging the essential role of the youth in driving innovation and progress in the country.

Implications for Education:

- 1. Curriculum Enhancement:** Insights from the session could inform curriculum enhancements, integrating future-oriented skills and knowledge to prepare students for the challenges and opportunities of 2047.
- 2. Research Opportunities:** Students were inspired to engage in research projects aligning with the themes discussed, fostering interdisciplinary exploration and problem-solving.
- 3. Career Pathways:** The session provided valuable insights into potential career pathways in emerging fields, motivating students to pursue education and training in relevant domains.

The Viksit Bharat @ 2047 online live session served as a stimulus for thought-provoking discussions and aspirations for India's future. By engaging students in envisioning and shaping the nation's trajectory, the session contributed to fostering a sense of ownership and commitment towards building a prosperous and sustainable India by 2047.

Beneficiary: 424 students from B.A., B.Sc. and B.Com. and Staff

About Seminar: The Seminar on 'Entrepreneurship' was organized by Entrepreneurship Development Cell and Institution Innovation Council (IIC) of B. V. V. S. Akkamahadevi Women's Arts, Science and Commerce College, Bagalkote on 14th December, 2023. The seminar was organized for B.A., B.Sc. and B.Com students. Smt. CA. Seema S. Mannur, Chartered Accountant S.S. Mannur & Co. Bagalkote was the Guest Speaker of the event.

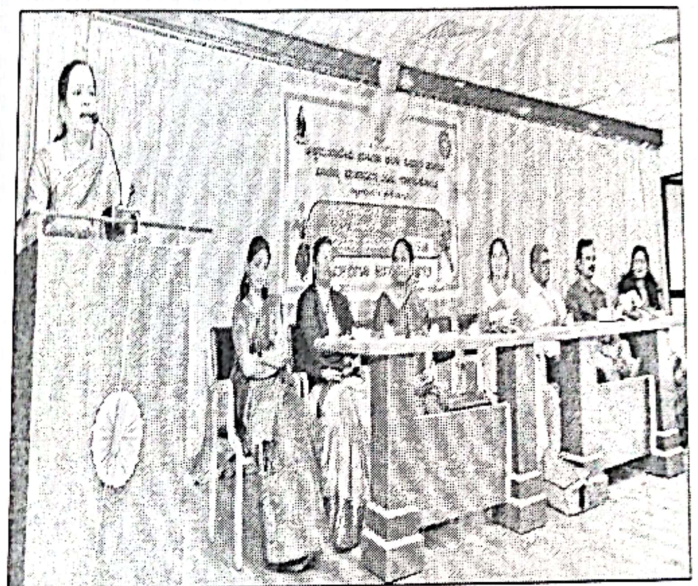

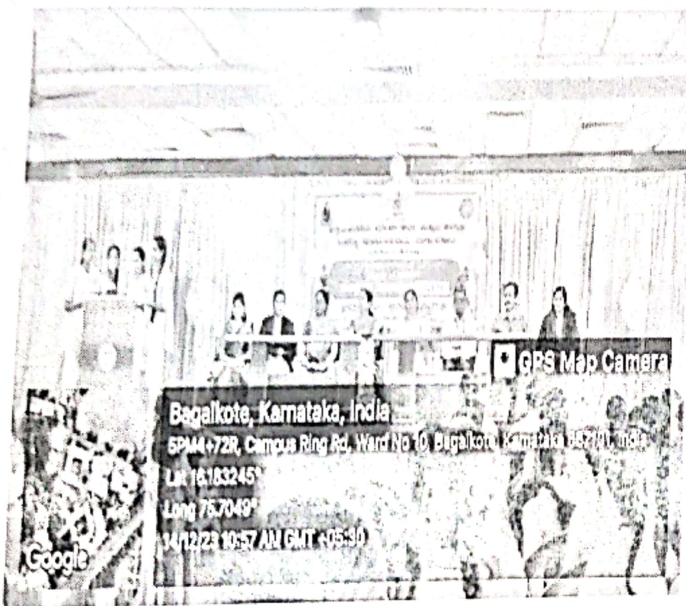

Entrepreneurship is a process of identifying and starting a business venture, sourcing and organizing the required resources and taking both the risks and rewards associated with the venture.

Entrepreneurship is a key factor for economic development. There is an increased rate of students across developed and developing countries considering the issue of self-employment.

Whether you start your own company or choose to climb up the corporate ladder, maintaining the spirit of entrepreneurship all along the way is essential. This goes far beyond just making money. It is about creating value and ideas, about possessing internationally convertible leadership skills and about cultural diversity. The objective of this session was to motivate students towards entrepreneurship as it can create employment for the future generations.

Report on Awareness Program on Agniveer Scheme

Venue: Seminar Hall

Organizing Cell: IQAC and Career Guidance and Placement Cell

Date of the Event: 29th January, 2024

Beneficiary: 77 Students from B.A. B.Sc. and B.Com. I & III Semester

Resource Person:

1. Sandeep Kestwal
JWO (Junior Warrant Officer)
Indian Airforce, Bengaluru
2. Sgt. Baljeet Singh
Indian Airforce, Bengaluru
3. CPI Adarsh Gautam
Indian Airforce, Bengaluru

On 29th January, 2024 successfully hosted an awareness program on the Agniveer Scheme, an initiative by the Indian government aimed at promoting career opportunities within the Indian Armed Forces. The program was designed to educate students about the scheme, its benefits, and the various career paths it offers

Objectives

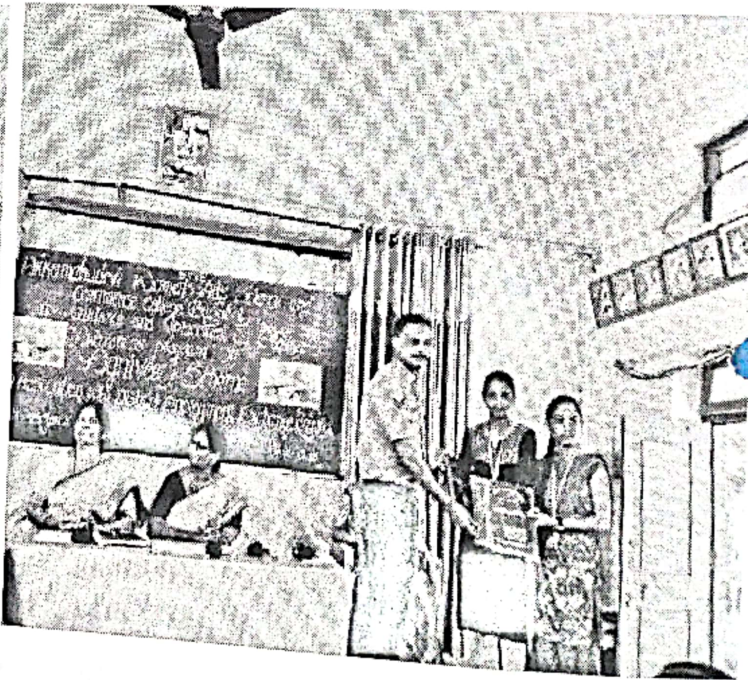

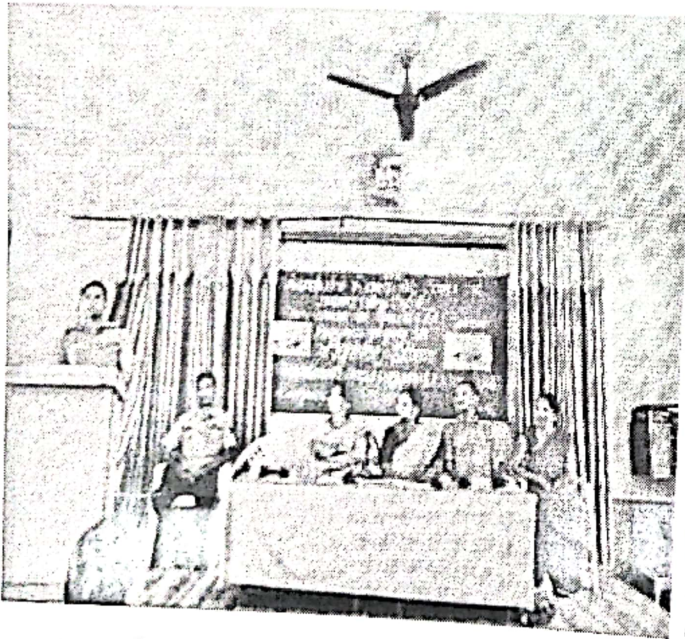

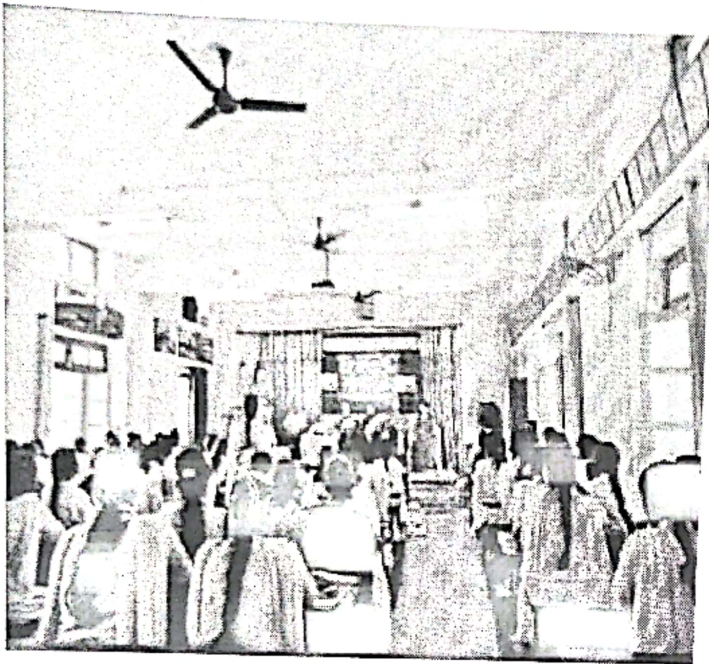

1. To provide detailed information about the Agniveer Scheme.
2. To motivate students to consider a career in the Indian Armed Forces.
3. To address queries and concerns related to the scheme.
4. To highlight the benefits and long-term opportunities provided by the Agniveer Scheme.

Outcomes

The awareness program successfully achieved its objectives. The students gained a comprehensive understanding of the Agniveer Scheme and many expressed interest in pursuing opportunities in the armed forces.

**Report On
Seminar on How to Plan for Start-ups and Legal & Ethical Steps**

(Collaboration with Kristu Jayanti College Autonomous, Bengaluru)

Organized by: IQAC, Entrepreneurship Development Cell and Institution's Innovation Council (IIC)

Date: 29th April, 2024

Resource Person: **Dr. Manjunath M. S.**
Assistant Professor
Kristu Jayanti College of Law, Bengaluru

Venue: Virtual Mode

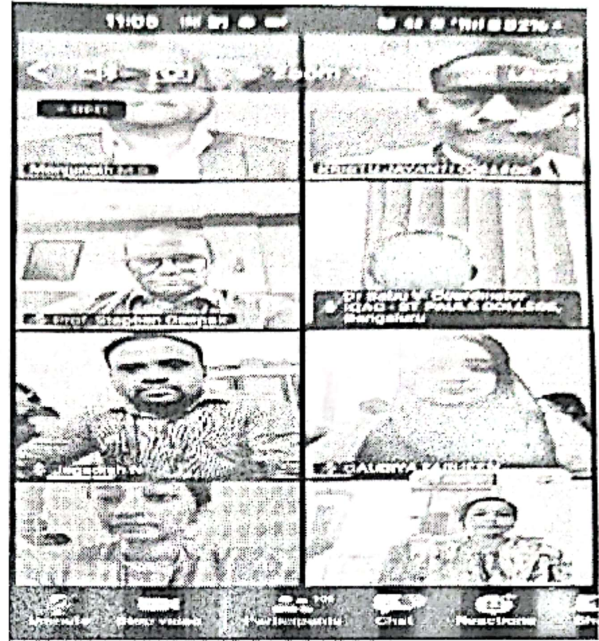

Beneficiary: 126 Students and Staff

About Seminar: On April 29, 2024, a seminar titled "How to Plan for Start-ups and Legal & Ethical Steps" was conducted. The event was aimed at budding students interested in starting their own businesses. The seminar was a resounding success, providing participants with a comprehensive understanding of the critical steps involved in starting a business. The focus on both the practical aspects of business planning and the importance of legal and ethical considerations made the seminar highly informative and relevant. Attendees left with valuable insights and resources to help them navigate the challenges of entrepreneurship. The event highlighted the significance of thorough planning, legal compliance, and ethical responsibility in building a sustainable and successful start-up. It served as a

reminder that while innovation and creativity are essential, adherence to legal and ethical standards is equally important in the journey of entrepreneurship.

Session - I

Report on

Innovation and Intellectual Property Rights

Date of the Event: Saturday, 15th June, 2024

Mode: Offline and YouTube Live Streaming

Resource Person: Mr. Nagarjun M. G.

Patent Analyst

M/s Prominence Homeworks, Coimbatore

Brief Description about the Event: The event Innovation and Intellectual Property Rights was an insightful session that delved into the critical aspects of patent filing procedures, their limitations, and various intellectual property rights pertinent to academic and research contexts. The lecture provided valuable information, which was followed by an engaging and intensive interaction with the students, fostering a deeper understanding of the subject matter.

Outcome of the Event:

- Participants gained a comprehensive understanding of the patent filing process
- The interactive segment of the event allowed students to clarify their doubts and engage in meaningful discussions, leading to enhanced awareness and

preparedness to navigate intellectual property challenges in their future endeavors

Objectives of the Event:

- To emphasize the significance of intellectual property rights in academic and research contexts
- To inspire students and researchers to innovate while ensuring their creations are protected legally
- To expand the participants' knowledge of various intellectual property rights
- To foster an environment for intensive interaction, allowing participants to ask questions, share experiences, and discuss challenges related to intellectual property

Brief Profile of Resource Person:

Mr. Nagarjun M. G.
Patent Analyst
M/s Prominence Homeworks, Coimbatore

Mr. Nagarjun is currently working as patent analyst at M/s Prominence Homeworks, Coimbatore. A company manufactures and supplies UPVC doors and windows across Indian. Earlier he worked as project associate at Patent Information Centre Karnataka State Council for Science and Technology (KSCST), Indian Institute of Science Campus Bangalore.

During his tenure at KSCST, he was participated as well delivered lectures in many faculty developments programs, workshops on Biofuels, Innovation, Entrepreneurship and Intellectual Property Rights. He mentored the Bioenergy research & demonstrations centres (BRIDCs) established by Karnataka State Bioenergy Development Board (KSBDB) in all 30 districts in terms of technical& administrative roles.

In Patent Information Centre (PIC) and WIPO - Technology and Innovation Support Centre – TISC, of KSCST he was following all the Information Education & Communication activities of PIC including IPR filings i.e. patents, copyrights, trademarks, designs Establishment of IP Cells, Institutional Policymaking, visitor consultations, IPR quires of researchers, start-up sand other projects and programmes of the Patent Information center.

He was also the coordinator of Technology Innovation Support Center – WIPO (TISC) of KSCST and coordinated the 12th batch KIRAN IPR programme 2021 of TIFAC DST where the programme provides on job training on IPR for selected women candidates under this scheme at KSCST.

He was instrumental in working towards getting the **Special Citation Award to PIC KSCST under Nation IP awards 2022.** And was also instrumental in setting up of 80 IPR cells across Karnataka in various universities and colleges when he was working at PIC KSCST.

Further, He worked in various profiles such as Graduate Apprentice Trainee at BEML Ltd. Kolar Gold Fields, Quality engineer at Safari designs Pvt Ltd, Bengaluru and also has a paper publication in both national and international journals.

Report on

Startup Ecosystem and Entrepreneurship

Date of the Lecture: Saturday, 15th June, 2024

Mode: Offline and YouTube Live Streaming

Resource Person: Miss Jyoti Sajjan

Founder

Seven Novelty, Bengaluru

Brief Description about the Lecture: A lecture on "Startup Ecosystem and Entrepreneurship" typically aims to provide a comprehensive overview of the startup landscape and the entrepreneurial process. This lecture is designed to educate attendees about the key elements that contribute to a successful startup ecosystem and the fundamental principles of entrepreneurship. The lecture provided valuable information, which was followed by an engaging and intensive interaction with the students, fostering a deeper understanding of the subject matter.

Outcome of the Lecture:

- Attendees will have a clear understanding of what constitutes a startup and the unique characteristics that differentiate startups from traditional businesses
- Participants will be equipped with knowledge of different business models and how to choose the right one for their startup

- Participants will be inspired by real-world case studies of successful startups and entrepreneurial journeys

Objectives of the Lecture:

- Provide techniques for generating innovative business ideas
- Identify methods for validating ideas through market research and customer feedback
- Emphasize the importance and development of a Minimum Viable Product (MVP)
- Identify common challenges and obstacles faced by startups

Brief Profile of Resource Person:

Miss Jyoti Sajjan
Founder
Seven Novelty, Bengaluru

Jyoti Sajjan, founder of Seven Novelty. Graduated in Mechanical Engineering from KLEIT, Hubli. At early age with studies started career as a Social Media Manager and a Blogger at a Start-up called Unique Tech Designs. With this completed Women Entrepreneurship course by CEDOC and DIC.

During studies made research in an agriculture based idea and received Patent for "An Automatic machine for Plucking and Bundling of leafy vegetables". These research papers also got published internationally. Later received Citation Award from Karnataka State Council for Science and Technology. Seven Novelty provides workshops and internships for engineering students on topics of 3D printing and Intellectual Property Rights and produces 3D prints.
